The Disciplinary Committee will consider a defaulting team.

### **1.4 DISCIPLINARY, FORFEITURE AND FINES**

(a) Any team not ready to play 15 minutes after the scheduled starting time shall be considered to have forfeited the game unless both the opposition and officials are informed that a team is on route and provide an estimated time of arrival sufficient for the game to be played and completed.

(b) Any team not arriving for a scheduled fixture without good reason shall be fined £100 for the first offence and may be dismissed from the League for a subsequent offence within the same season. Any club so offending for the second time shall be required to re-apply for election to the League at the AGM. The offended club may, if it chooses, apply through the League Committee to reimburse reasonable expenses up to the value of the fine imposed.

(c) If, through the fault of one team, another team travels to a scheduled fixture and it is not played, the offended team may claim from the defaulting club through the Committee, reasonable travelling expenses provided that the claim is made within seven days of the scheduled fixture.

## **2. LEAGUE FIXTURES, TABLES**

### **2.1 FIXTURE LISTS**

The Secretary or Fixtures Secretary will prepare provisional fixture lists for circulation to club secretaries before the end of August each year. Club secretaries will then have three weeks to re-arrange any fixture(s) and to notify the Secretary/Fixtures Secretary of each mutually agreed rearrangement. The fixture list will be published on the League website by September 30th.

### **2.2 POSTPONEMENT AND REARRANGEMENT**

No match shall be postponed from the date set out in the final fixture list without the prior sanction of the Secretary or Fixtures Secretary. They shall only allow such a change if satisfied that exceptional circumstances warrant such action and that all practical measures have been taken by the teams concerned to have the game played on schedule.

### **2.3 CONFIRMATION OF MATCH**

The Secretary or representative of the home team shall confirm each scheduled game with the away team and all referees at least five days before each game, at most ten days before each game. An email is acceptable, but if there is no reply from the away team and both referees, this must be followed up by a telephone call. Failure to do so will result in the home team forfeiting the game.

## **2.4 SCORESHEETS AND NOTIFICATION OF RESULTS**

(a) The official Basketball England running scoresheet shall be used for all games either as a digital or a paper version

(b) Current season registration details of all players, coaches, and officials, with a photo, must be produced at every game. An image on a phone/tablet will be acceptable for each registration, and these will be recorded on the scoresheet. A player/coach/official is prohibited from taking part in a fixture unless a valid registration is produced for each game. Playing an ineligible player in a match will result in the game being forfeited by the offending team.

(c) The home team must upload a photo of the scoresheet or finalise the digital scoresheet in the TeamSportz digital platform within 24 hours of the completion of the match.

## **2.5 RESOLUTION OF TIE**

In case of two teams finishing the season with the same number of League points, the Basketball England procedure for resolving such a tie shall be implemented (see current England Basketball Rules and Regulations Handbook).

(a) Before any player may take part in any League match, they must hold a current Basketball England registration and be registered with the League by a club. All clubs must provide the HBL with their roster before the start of the season, along with the names and registration details of their players.

Before a player can take part in any HBL match, they must hold a current registration and required insurance cover with any of the Home Country Associations (HCA's), to include Basketball England, Basketball Scotland and Basketball Wales or the British Basketball Federation.

Before the start of the season, clubs must upload onto the HBL TeamSportz website, their roster to include names and registration details provided by the relevant HCA's.

(b) HCA's or BBF registration details shall be entered in the appropriate column of the scoresheet to show that each player holds a valid registration (in addition to producing evidence as laid out in 2.4.b above) for the current playing season. The coach will sign the scoresheet before the start of the game to confirm that the players entered on the scoresheet are both eligible and entitled to play

(c) A player can only be registered with one club or team in the HBL. The club or team will hold the player's registration for that season. Teams will send a squad list, including names and licence numbers, to the HBL Committee before the start of the season.

(d) No new players can be registered with a club after January 31st of that season. In exceptional circumstances, the HBL committee may grant a particular concession.

(f) Cup Games - Before playing in any cup fixture, up to and including the quarter- finals, a player must have played in at least one match that season for the club they are registered with, unless a cup match(es) is played before any league games. From the semi-final and in all play-offs, a player must have played in at least 50% of their club team's matches that season\* The Special Situations Committee may grant dispensation because of genuine reasons, e.g. injuries, late registration.

\* "Playing in a match" is defined as showing on the scoresheet as having been on court during the game

## **Player Eligibility Between Divisions**

Clubs with teams in both Division 1 and Division 2, may apply to the League to allow Division 2 registered players to take part in Division 1 matches only if the Division 1 team is unable to field seven (7) players.

A formal, written, application must be emailed to the **Special Situations Committee**, at least five (5) days before the event, which will decide.

Approval will only be considered if the club can prove that fewer than seven Division players are available. If approved, Division 2 players may be temporarily promoted to make up the numbers to a maximum squad of seven (7) players.

**At no time may Division 1 players take part in Division 2 matches.**

## **Special Situations Committee (SSC)**

**All** requests relating to player eligibility must be made, in writing, to the Head of the Special Situations Committee (Ian Cheesman), no less than **48 hours** before the event or they will not be considered.

The Special Situations Committee (SSC) includes Ian and one other Committee member (Clare Holt). They will examine evidence provided, ask relevant questions and decide.

Other headgear worn for medical or religious reasons will be allowed, subject to the approval of the Committee.

**Shirts must be tucked into shorts at all times.**

## **5. OFFICIALS**

### **5.1 FEES AND EXPENSES**

The League Committee shall decide match officials' fees and expenses for the forthcoming season. Both teams will share these costs and shall pay these fees and travel expenses in cash before the start of the game. If only one referee arrives for a fixture, which results in refereeing on their own, they can claim an additional 100% of their regular match fee. If a visiting team does not arrive for a fixture, the home team will pay the match fee and travel expenses to the referees and table officials. It may then apply in writing to the Secretary for the monies to be reimbursed from the defaulting team. The defaulting team must pay the fees to the HBL account within seven days of the request.

### **5.2 UNIFORM**

The approved dress for referees shall be a grey referee shirt, black trousers, and black shoes. Referees are not permitted to wear any jewellery during the game. Referees and table officials will put away their mobile phones from arrival at the venue until after the scoresheet has been signed at the end of the game.
